“ I am Ly, one of Ken’s good old friend’s. Ken was our good ping pong partner who always led the group of most activities. He was a good ping pong trainer to a group of senior friends; they are now playing pretty touch! We stopped calling “ping pong”, we called it: “extreme table tennis”. He was a good singer who also organized a karaoke singing group in an Asian Community Center. He is a good friend and a good leader of many of us. He was such a wonderful person and I am so glad I got to spend those years near him. What a loss for those of us on earth, what a gain for Heaven! We will always remember him, always!
