Lance was a devoted and loving father, son, brother, nephew, uncle, cousin and friend. Lance was born and grew up in Corvallis. He moved to Las Vegas for a short time then moved to various parts of Oregon, settling in Albany, where he was raising his 2 younger children with his fiancé, Krista Greene, and her 3 children.

Above all, Lance was known for the immense love he had for his children, his family and his friends. He had the ability to make everyone feel special and loved, he truly was one of a kind. Lance enjoyed riding motorcycles, weight-lifting,

boating and camping with his family and all family get-togethers. In recent years, Lance attended and was baptized at Hope Church in Albany. He held close his faith in God which carried him through some tough times. Lance was loved by so many and has impacted so many lives. He will be greatly missed. As you cope with your loss, may you find comfort in knowing that God promises to put an end to all the things that have plagued mankind for centuries including pain and death (Rev 21:3,4). “ We will never forget what u did for us Lance, im speaking for Mike as well. U were a true friend to him when almost every one else he knew was doing him worse than dirty. U brought us into your home, fed us, put clothes on Mike with a cpl extra sets to boot, gave him money, let us stay the night...and asked for nothing in return. U made us laugh so hard my face & stomach hurt! The twerkn contest with your son was the ultimate best! Epic! U will be greatly missed by all who knew u. Watch over Krista & help her get thru this however u will be able to cuz she so needs a sign from u right now.

“ *Lance helped me through the hardest time of my life 1 year ago when I lost the love of my life to a car accident. He stayed with me for 3 days. He was there any way I needed and kept people from bothering me while I processed what happened. Even though he was going through his own stuff with his eye. He was there for me and didn't leave my side. He was an amazing friend to me. Whatever I needed he did it. He was a one of a kind friend and an amazing father. He was a hero in more ways than one.*

I remember Lance and Randy running harrowbed for us when they were so young thier Grandpa would bring them out to the field I would take them drinks and snacks and Grandpa would come pick them up at the end of the day that was in 1983 or so he wasn't very old but they sure got the job done. Condolences to all the family.

“ *To Lance Hill's family, he was a terrific guy to work with. So funny and a good employee. I worked with him about 7 years ago. He was a person you never forget. To his children: your dad was a hero, he passed into heaven saving the people he loved. I know he wanted nothing but the best for his children. I will have nothing but good memories of him. That smile was worth a million dollars. May he RIP and watch over his babies.*
