“ Hello,

*My name is Sami, I helped care for Lila for 3 years while she was with us at Regent Court Memory care, and have nothing but happy memories with her. In fact, it's Lila that helped me choose this path in my life as more than just an in-between job while in college, but as a career path. I saw Lila just days before she passed, and I would love to attend her funeral, if anyone has those details. I would love to learn more about who she was before I knew her, as well as share with everyone who she was once I knew her. 💜*
