“ Dear Kathy . . . Too many memories. So sorry for you. I know I can do nothing. Your dad wrote me two letters after your mom's passing. They expressed his concern for me and I could tell he still cared for your mom. I still have them. I hope you continue to do very well as I know you will. Say hi to your girls for us. I saw Lexxus had married. I hope she is happy. Carrie

“ Hi Kathy & Brian,  
So sorry to hear of your Dad's passing. Kenny and I won't be able to make it to the service Saturday. We're flying out of town, leaving Thursday and not returning til Sunday.  
Your dad was an amazing person. He was such a hard and dedicated worker and we are so blessed to have known him. He was always so funny and positive. He'll be extremely missed by his grandkids and the two of you, but his memories will always be in your hearts. He was so proud of all of you. Please know you have been in our thoughts and prayers through this difficult time.

Love,  
Kenny & Sandy Allen
