Lorna passed away quietly with her devoted and loving partner of 44 years by her side.

She was born 9/26/1936 in Denver, CO to Arther M and Elmyra M Boyer. They later moved to Missouri where she attended grade school and eventually moved to Toledo, OR where she met and married the father of her 5 children; Brenda Beck (Jeff), Gary Dobson, both of Corvallis, OR. Bobby Dobson of Boise, ID; Pam Twitchell of Albany, OR and Margy Park of CA. She is survived by her partner of 44 years, Bill Enwright of Corvallis; 9 grandchildren, and several great grandchildren.

Lorna was a bartender at Darrell's, and Tommy's 4th St Bar and Grill for many years. She and Bill also lived in Hillsboro for a short period and Reno, NV for 6 years. She enjoyed shopping, hanging with her children, gambling and was loved by all who met or knew her. She will be missed the rest of our lives.
