

Loucinda "Cindy" Carter

July 26, 1961 - October 13, 2019

Cindy passed away peacefully on Sunday, October 13, 2019, at her Alsea home. She was 58. She spent her childhood in West Memphis, Arkansas and made many lifelong friends that became more like family members. She loved music and playing her flute throughout junior and senior high school years in band. She was very active in the International Order of the Rainbow For Girls and proudly served as Grand Worthy Advisor of the State of Arkansas. She was a Southern Baptist girl and was a member of First Baptist Church in West Memphis. She leaned on her strong faith that God would protect her and provide for any of her needs. Cindy will be remembered for her beauty, her compassion for animals, and her sweet spirit.

She was preceded in death by her parents, Sonny and ImaJo Carter, and her sister, Jenny. She leaves family and many friends who loved her dearly and mourn her passing.

“ *Loucinda! I met you on Thursday, October 10, 2019. I had to pick up copies at the bookstore, where I purchased a Bible, as I lost mine during our move. I believe, The Power of our All Mighty Heavenly Father, brought us together. We met in Goodwill and became instant friends. It was as if we knew each other All of our lives. Later, we met you again at the Alsea Food Bank. I learned of your health, and I did not hesitate a second, to promise care for you, for the rest of your life. Even if I were frail and 80, I would care for you, by simply by being there with you. This is where God lead me.*

Loucinda, you called me that Thursday night, to thank me. I was over joyed, as I wanted to Thank You!! I made my vow to you, my friend and Sister of God, not for money, recognition, but because God Blessed me with the very Knowledge needed to care for you. (Proverbs 2) Loucinda, some of your last words... "I am so at Peace that I know someone will care for me". My last words, I Love You and God Be with you Always.

I will miss your Earthy Body, and already miss the times we planned to spend together. I know you are with our All Mighty Heavenly Father, our Glorious God. You are without Sin, as for the very life, death, and resurrection of our Beloved Son of God, Jesus Christ.

I knew Loucinda for a single day. For those who knew her for a week, to those who grew up with her, to those who raised this beautiful child of God. I can not even imagine your pain, sadness, and grief, yet celebration and happiness. I give my heart to you, and my most sincere condolences.

To Lucinda, until I see you again. I want you to giggle you itty bitty girl you. I Love You. It's not when, where, or how God takes us, but that he has you safe in all his Glory! Amen

“ *Cindy and I have been family since we met through Rainbow Girls when we were 16. She always had a positive spirit even though her body never had the power she deserved. She always had a strong faith that people and obstacles were placed in her life for a reason. When I heard of Cindy’s passing, my thoughts were that she was finally at rest - and peace... and it made me feel at peace.*

That is so true and beautiful what you wrote. Cindy and I were very close and all she really respected and loved were the Rainbow Girls. She was so proud and loved you all. Loucinda was a amazing person . She overcame so much.

Cindy was such a loving individual, and it is obvious she was admired by many friends and fellow students from way back when. Facebook became a reconnecting vehicle for Cindy and myself, and it was a pleasure to become reacquainted. Months would go by, and many of us following her on FB would wonder what happened to her (?), And then she would post something and assure us that things were better! She and I had several communications on Messenger, and she often mentioned several time a doctor (Pulmonologist) who saved her life. She never mentioned his name, but I know she had great admiration for this gentleman. We have great admiration for him, too, he kept a sweet individual like Cindy on this earth for a while longer than a lot of people expected. RIP, Cindy, no more pain and suffering.

“ When Cindy got on FaceBook, she must have looked up The Band, and decided to "friend" me. I was glad to hear from her, and she wrote me a wonderful letter, catching me up with her life. Our lives in high school only crossed with the band, as I was a year older, but I knew that if I saw her in the hall on the way to class, there would always be a wonderful smile to make my day brighter! I knew that she had many health problems, and I am so glad that she is without pain and suffering any longer. Prayers for all of us that knew her, as we are missing a friend right now, but know that we will see her again! Cindy, you are missed!!

“ Cindy was a tiny thing with a big heart. Life handed her nearly insurmountable challenges, but Cindy persevered when others would've given up. She was a lover of people. Her friends were her treasures. Her dogs were her life. I'm sad that her years on earth were short, but I'm also rejoicing because she's at peace. I'll forever remember Cindy's smile and her beautiful eyes. Much love to you, Cindy, until we meet again.

“ Cindy was a huge part of my life ever since I was 12 yrs old as a role model in my Rainbow Assembly. Even in recent connections through Facebook, she would always end with "In Rainbow Love". I will see you at the pot of gold, Cindy. Love you.

“ I grew up with Cindy. We go all the way back to 1st grade. She always had the prettiest blonde hair and as sweet as they come. We went through high school in band together. We even had a chance as adults to catch up in St Louis a few years back. I will always remember Cindy as a kind spirit. She will be missed.

We just learned of Cindy's passing today. It is of great sadness to know a loving soul like Cindy is no longer with us. Our deepest condolences to her family and all that knew her.

Months would go by without hearing from her. Then all of a sudden she would pop up in front of our door. We are going to miss those surprise visits. Cindy last visited us back in late 2017 and stayed with us for a few days before she drove from California to Arkansas by herself with all her dogs. We told her she was crazy for doing it. She was determined. She said she needed to get back to take care of business. Her plan was to move back to California. We were in contact a few more times. She always made it a point to call us to keep in touch. Our last phone call from her was back in July of 2018. She told us she was on the west coast again but further north of us.

*Cindy was a sweet dear friend and part of our family...
We will miss her. Rest In Paradise Cindy Sue
