“ I am sad to hear of Lynne's passing. We first met as our children attended daycare together and continued the friendship when they were on the Crescent Valley track team together. Lynne was my main partner in running the concession stand at the home track meets--even helping for a year after she no longer had a child on the team. I enjoyed catching up on what our families were doing as I ran into her around town and at OSU gymnastic meets. I will miss her. With sympathy to the Family, Lisa Borgerson

“ Lynne and I met in the dorm on the OSU campus. Then we both pledged Delta Gamma and became "sisters". Our time at OSU and also getting together through out the years in the Bay Area, Corvallis and a few years ago at a Palm Springs reunion with many of our fellow DG's are just a few of many fond memories I have of Lynne. The DG ladies are getting together tonight in Portland to honor her memory and legacy.
Thoughts and prayers to her family and all that knew her.

“ *Lynne was my first friend in Corvallis and we shared a lovely friendship for years when our children were small. She had a big effect on my life. She was always so so proud of all her kids and their accomplishments. Always the first to volunteer, she had an impact on Corvallis and I'm proud to have known her. My thoughts for peace are with all of you...*

“ *Lynne's warm smile and sincere greeting were infectious. The past few years, we always seemed to run into each other at OSU gymnastics meets and it was always fun to swap updates on our families. She was so very proud of all of her children and their accomplishments. Please know that our thoughts and prayers are with each of you at this very difficult time. With deepest sympathy,*

“ *Our thoughts and prayers are with both the Entrikin and Douglass families. All that grew up in Madras are a family in itself, and Lynne was always a bright and cheerful girl to be around. There is now an Angel looking out and I'm sure God will ensure well being for both families. With Love,*
