“ *Mardi,*

I was so saddened to read about your mom's passing. My mom saw her a few weeks ago when they were having their hearing aides (those damn hearing aide-they both said) checked and mentioned it to me recently. She was a lovely and beautiful woman. How wonderful you and your sister had many opportunities to travel and enjoy each other. Thoughts and prayers to you, Doug and your family❤️

“ *It was such a miracle that she & I got back in contact after so many years. She was my BFF from college & a Bride's Maid for my wedding on 6/26/ 48.. Almost 70 years. We exchanged family photos & I have Sherry & Mardi as little girls, laying under their Christmas tree. Even after years apart she made me feel " right back where we had been". What a very Special person! Love & Sympathy to All her family.* 🍷💕💕💕💕💕

“ *Mardi,*

Your mother was so lovely and always a class act. What a friend she was to my mother, taking her on trips to Mexico and Kauai. I will particularly remember her recent kindnesses to me, and felt so sad when I saw this obituary in the GT today.

Your Mom was instrumental in helping Mom with Dads death. She invited Mom over for tea soon after his passing. From that came a wonderful friendship. Thank you Linda

*Mardi, I so enjoyed working with your mom and helping her with
advertising over the many years. Your mom was a big factor in making
the Othes Tree a shopping must for women in the mid-valley. As you
know my mom loved shopping at the Clothes Tree.*
