“ I just loved the time my mom spent with Margarete, especially seeing her at bingo. My name is Sheri Taylor-Billetter. My parents were Marge and John Taylor. I would recognize Margarete anywhere because she reminded me of Aunt Katie and Mammaw especially her chin and lips.

I last saw her several years ago in a grocery store then lost track of her. I thought she had passed and I just did not know. Our family is getting thinner than it was.

On behalf of my sisters Sue, Judy and Kathy I send my sincere wishes for peace and health during these difficult times. She had a long life but leaving this earth still leaves a void.
