“ I was very sorry not to be able to be at the service for Marian as I was serving at a memorial at my church at the same time. I truly enjoyed Marian when visiting at Samaritan Village. She had a perceptive sense of humor, a caring way about her as well as an integrity that I admired. She was very helpful to me when I first became chaplain although I remember asking her if so-and-so were in the dining room. Her resposne was yes and that I would recognize her because she was a short lady with white hair and glasses. I looked around trying to find her until I realized that Marian was chuckling as most of the residents were short, white-haired and wore glasses.

I also admired her courage as she faced her physical limitations. Even in the hospital, she tried to do all she could.

I pray that you all will find comfort in knowing that she is whole and well in the presence of God.
