“ *Marsha was a pleasure to know and associate with. She was always positive and willing to help. Her family was her top priority, but she found time to do so many other things. I will miss her big smile and warm greetings.*

“ *Marsha was an inspirational leader with Oregon Small Woodlands Association and our Benton County Chapter for many years. In her role on the Board of the Benton County Chapter of OSWA, Marsha took on the most challenging jobs, including. Membership Chair and liaison to the statewide OSWA Board, always keeping our chapter well informed.*

Marsha attended almost every Small Woodlands tour, often accompanied by her dad, Don Oakes. Marsha and her family were recognized as the 2018 Benton County Tree Farmers of the Year. She was passionate about good forestry practices and applied them to her family's land. Marsha was courageous in tackling new ideas and seeing them through, striving to keep her family moving forward with new techniques and information.

Marsha was a personal inspiration to me in how she encouraged her grandchildren's interest in forest management. I expect that her passion will live on through her children and grandchildren whose interest in their family forest was sparked by Marsha's passion.
