“ I met Marta for the first time in Genoa in March 2015 for my first level of Reiki. I live in Milan and I missed the her lessons in Milan the weekend before because....I am suore the Universe decided to give me this wonderful present:living with her for almost 3 days non-stop and getting the first level in Reiki. We spent hours and hours talking about our lives. SShe is one of the most sweet and hotel person I have ever met. An important Master in my life and from that time she stays in my heart.
