“ *I miss you so much I know I took you for granted, I wasn't home all the time and I told you some awful things at times but it never changed how much I love you and how great of a mother you were. You gave everything to me even when you had nothing. You kept pushing and you will always be my hero for staying strong for so long. I love you forever and always and I'll see you soon. I love you mom.*

“ Jessica, John and Chris~
As you know, I met your mother a couple of years ago through Jessica's friendship with my daughter. I was struck by your Mother's strength and grace in the presence of adversity. Your Mom loved you all so much, I could see that in her eyes and I heard her tell you all so many times.
Be at peace knowing that she is now pain free and her faith carries her on to a place where all the other "Mom's" go who have left us too early.
Be kind and LOVE each other, MaryAnn will be smiling down on you.
