“ I met Melva about 4 or 5 years as I passed through Bend, Oregon on my way to Canada to visit my brother, Devon who was renting a room in her mobile home. We hit it off right away. I came to find out that she was interested in reading the Bible but the one she had was difficult for her. The Lord led me to buy her a Bible she could understand for that Christmas. From then on she would call and tell me how excited she was at being able to read the Bible. We would call each other and discuss Scripture. She will be surely missed. My condolences to the entire family.
