Muriel H. Wiser, age 88, died Saturday, January 25, 2014 at her home in Philomath. Arrangements are pending.

Tribute Wall

EW

“ Muriel was a very special person always pleasant, always kind.. I worked as the 'night crew' doing medical transcription at Ray's office and got to know her and Doc Wiser during that time. Doc was our family physician..

My deepest and most sincere sympathy goes out to Doc Wiser and family.

She loved her family very much and spoke often of them to me. She was a special and dear lady..
