“ My grandmother was an amazing woman. We had a close relationship & she was one of my best friends. I could talk to her about anything & she was always there for me. She always made me laugh and smile without fail. I miss her very much & will carry her in my heart forever.

“ I remember going to visit Myrtice though I only called her mrs ratto with her son Jim and Jim telling me we are going to eat my moms famous manicotti. It was amazing all these years I haven't had anything close. Mrs Ratto always has a cocktail before dinner it may had been a manhattan or an old fashion but for sure it had whiskey in it. Jim and Mary thanks for allowing Terri and I in your mom's graciousness and hospitality while you where in the Bay Area.
God Bless
