“ I cannot express the disappointment of you NOT TELLING her brother and family of this. We had the right to know. My landline phone number is clearly available. Shame on you. Your mom would say the same thing. She would have wanted us to know.

and it says "the family" did this? WOW! We ARE HER family too. Brothers, nieces, nephews, grand niece and nephews. Two sister in laws. Pretty crappy to find all this out after all this time. RIP Noreen. We tried to contact you but none of the nursing home would reveal if you were there or not. we have been worried as well. We tried to get word that Barry and Judd are both dead. At least we TRIED to let you know, obviously it doesn't work the other way.....
