“ I was so sorry to read of your loss of Ormond. I have fond memories of his visits to the Elks Lodge for lunch with Norm. He delighted all who stopped by to say hello to him. He was so friendly and pleasant and fit in so well. We have not seen him for quite awhile, but many of us remember this very special man.

“ We remember Mr. Galvin as so full of life and adventure!! Perry always wished he could have known him better...he thinks they would have gotten along great and Perry would have enjoyed all the knowledge Mr. Galvin could have given him. I remember Mr. Galvin picking me up after I had fallen climbing one of the trees in his yard in Urbana and making sure I was ok.. I was maybe 10-11(?) yrs old visiting with his daughter Mary Kay, my very best friend even up to today. We wish the family well. Know that it seems their dad lived a very full and interesting life which is a blessing. Our thoughts are with you all.
