“*Pat was the most creative & wonderful cook I've ever known. She would create recipes and prepare ingredients and she also created and made many different kinds of crafts, all for the Assistance League fund raisers.*

She followed Tom to many different locations as he pursued his career in the Newspaper industry. This is course included moving and setting up homes and schools for Tim and Susan.

We've known Tom and Pat for about 40 years. We have enjoyed many dinners in their home. The Thanksgiving dinners were very special and will always be remembered and appreciated.

We will all miss Pat and we will keep an eye on Tom.

Our thoughts and best wishes to the family.

Sharon & Don Emenegger
