“ I was a neighbor of Patrick's for a brief while living at an RV park in Veneta, Oregon. Almost from day one he offered to help me if I had any RV problems and I, of course, was willing to assist him if there was something I could help him with. We had pleasant exchanges almost daily and I saw him and as kind and friendly person. I was shocked upon learning of his death and the manner. I'm so sorry. Please accept my most sincere condolences. I was lucky enough to meet Patrick 33 years ago when he met Brenda, and I met her son Robbie. They all went to Cabo San Lucas together, and shared many birthdays and holidays. My deepest condolences to my mother-in-law, Brenda Patrick's two Sons and family who I'm not sure I ever met, and to my husband and his sisters. We miss you crappy Pat but you are in a better place 💙🙏

“ I grew up and went to school with Pat in Columbia Falls, Montana. We went into the military together. First the National Guard and then the Navy. Pat was a great friend with a super sense of humor. I even wrecked his '57 Chevy. I last talked to Pat about five years ago. I regret that we did not get together at our 50th high school reunion. I have lots of very fond memories of Pat. I cherish them all. I do have a few pictures of Pat that I would gladly send to the family. My condolences.
