“ I used to work at Paul's dental office and always enjoyed visiting with him at the office or on phone chats. I was sad to see he had passed away. My condolences to his boys and his family.

“ I have warm remembrances of working with Paul at OFD. He was always a man of integrity in his professional life, and a gentleman of no small wit and humor. May his memory be eternal.

“ I have many memories of Paul from our days at OFD, our infamous Plant 4 meetings, and our golf games (where you never knew what would come out of Paul's mouth). Very saddened to hear of his passing and sending my condolences to his family.
