“ *Paula was one of my favorite cousins. We lived in different states and I didn't meet her until I was four. But as soon as I met her I knew she was family! We did a road trip from WA down to OR and stayed several days. Paula's warmth and love were apparent as soon as I set foot in her house. My early memories being with Paula, Bob, Patty, Elisha, Ebony, Christina and Aunt Erma are to this day of my most treasured and magical moments in life. When the trip was over I felt like I was leaving home rather than going home. Paula continued to unite our family with our River Ride family reunions for years. I will always remember her laugh and her warmth. Much Love, Cousin Charlie* ❤️

“ *We have fond memories of Paula and her care for her family and love for her friends. Paula was kind, funny and a joy to be with. Even though we haven't seen each other much the last couple of years, we hold her as a dear friend. We will miss her and our thoughts go to all her family.*
