“ We have known and been blessed by Paula for over 40 years. She was not only a friend but she was a go-to babysitter for us over the years and even after our children were grown, she became a house-sitter and companion for our dog when we had to be away. Her love for Jesus, her desire to serve Him, and her ever-present smile are things we will always remember and miss about Paula. May the peace of God surround you especially during this time.

In His love,

Phil and Sharon Doud

“ We have known Paula since the 70's when we met at N. W. Hills Church. Have followed her ministry with Campus Crusade and her ministry in Latvia.

Bob served with her on the BBI board and has enjoyed many interactions. We have been to Latvia with her and seen the tremendous ministry she had with the Tilsa community.

We have enjoyed having her in our home on many occasions . Her heart for ministry has been contagious for these many years. We will miss her greatly.

Our prayers and blessings for her family.

“*Paula was such a delight and a joy to have in my dad's life. When he first moved to the Regent Senior Living Community in Corvallis, he was so out of sorts. That is, until he met Paula. Paula was so outgoing and friendly and active that she was just what my dad needed to get over all the difficulty he'd been going through. She was a dedicated companion to him, even when he had a stroke and had to move to Portland to be closer to me, she stuck with him through his recovery and drove to Portland repeatedly just to visit. We will never forget her.*

So sorry to hear of Paula's passing. She was such a positive person, caring and fun to be around. I always felt comfortable with her and loved to hear stories of her experiences with other languages and cultures. The world needs more people like Paula. She will be missed.
