November 17, 1982 - October 31, 2020

Rachel Elizabeth Gaines

November 17, 1982 – October 31, 2020

Our world has lost a beautiful soul. Rachel, age 37, beloved mother, sister, daughter, aunt, cousin, and friend passed from our lives following complications from pneumonia. At the age of 14, Rachel had been diagnosed with thyroid cancer that had spread to her lymph nodes. After surgery and numerous radiation treatments, the cancer went into remission. However, Rachel was left with a damaged immune system, heart issues, and other problems that left her prone to illness. In spite of her health issues, Rachel maintained a positive attitude throughout life. She loved to laugh and her laughter was infectious. She was so giving and loving and had such a generous heart. We are grateful to Good Samaritan Hospital in Corvallis, OR for their diligent and loving care and all their efforts to try to save her life.

Rachel spent many family vacations on the Oregon coast as a child and always said she would move there when she grew up. That dream came true. At the time of her death, Rachel lived in Tillamook, OR. Although separated, she and her children's father, Peter Montgomery, remained good friends and worked together to provide loving, nurturing homes for their children, Grace and Charlie.

Rachel was born in Salt Lake City, UT but primarily grew up in Elko, NV.

Rachel lived in both Tonopah, NV and Wright, WY prior to moving to Elko in 1986. She spent most of her high school years living overseas. She attended Singapore International School her sophomore year where her favorite subjects were pottery and the art of eastern medicine. Her least favorite subject was Mandarin. She spent the majority of her junior and senior years in Sumbawa, Indonesia homeschooling through the BYU Educational program. She returned to Elko in January 2001 to attend her last semester at Elko High School so she could graduate with friends. After high school, Rachel attended the Utah College of Massage Therapy where she graduated in 2002 among the top of her class. Rachel moved to Las Vegas, NV for several years, then to Boise, ID, and finally to Tillamook, Oregon.

As a child, Rachel spent hours watching This Old House with her dad. It was one of their favorite pastimes. In 2018, Rachel entered the construction field working on home remodels. Some of the jobs included RV work. Rachel realized that there was a real need for on-site RV repair on the Oregon coast. As a result, Five Rivers Mobile RV Repair, Rachel's brainchild, started business on June 30, 2018 with her friend and business partner, Leon Kinnison. Rachel helped develop the business's on-site presence and took classes to become certified in RV repair, including electric and plumbing. Today, in spite of Covid-19, the business is doing well and serves areas along the Oregon coast, as well as in and around Portland.

Although Rachel's doctors had told her that having children may cause her cancer to recur, she took the risk. Her cancer did return, but she never regretted her decision. Her two beautiful, healthy children were everything to her. Rachel was again in complete remission at the time of her death. She leaves behind a loving family: children Grace Elizabeth Montgomery, 10, Charles Frederick Montgomery, 8 (Tillamook, OR), parents Chuck and Pam Gaines (Spring Creek, NV), sister Heather Mentaberry (Elko), brother Robert Gaines (Elko), as well as many much-loved nieces, nephews, and cousins.

She is preceded in death by both maternal and paternal grandparents as well as her Aunt Jenny, Uncle Calvin, and her cousin Brett.

“ Miss you so much my beautiful daughter. I feel your presence around me all the time, especially yesterday. We all felt your loving, joyous spirit as we spent the day doing things that involved you and our memories of you. Charlie and Grace are growing up beautiful and strong and miss you and your smile, your laugh, and mischievousness. But most of all, your love. We all miss that. You are still here because we all hold you in our hearts. And will until we see you again. Love you so much. <3

“ I am thinking about you today. I know Rachel is smiling upon you all. Please know my heart, mind and soul are with you and your family. ❤️ If I had anything to share, I have respect and love for Rachel because she never judged me/others and she never tried to hide who she was to make others happy. She's one of a kind and someone we should all try to be like.

“ Pam, Chuck, Heather, and Robert- I was deeply saddened to hear about Rachel's passing. I just cannot express my sympathy to you all during this difficult time.

She was so so very special and a very kind soul. I know she is watching over you all now, she will help you through this very difficult time. Please remember that we are all made of energy. Energy cannot be destroyed, only transformed, that is science.

May you find comfort in the subtle ways she will bring you;... a song from a bird, a scent in the wind, maybe her favorite song or her children's laughter...

I will keep you all in my prayers. I just cannot comprehend this loss is so very profound.

When my stepfather died years ago, this poem brought me comfort, so I pass it to you in hopes of the same.

*An Angel Walks beside us
Each one of us receives
an angel guardian at birth.
Who walks along beside us
every day we spend on earth.
Invisible, these angels
never leave us day or night.
They know our fears and whisper
"Things are going to be all right."
They give us strength and purpose,
keep our hope and courage strong.
They fill our minds with wisdom
and our spirits with a song.*

*May you find comfort in knowing
that your beloved Rachel
has been guided gently home.*

Rest In Peace Rachel- you are forever missed and loved.

When I was a young girl, I remember seeing a sign on the highway in Nevada that said "Rachel, NV" with a big arrow pointing south, while traveling from Tonopah to Salt Lake for my OB appointments, pregnant with my youngest daughter, Rachel. And now you know the rest of the story.

Heather and I took the kids to the movies Tuesday. On the way there, Ave meant to say something, but instead accidentally said "Weiner." We all got to laughing so hard, then that made Heather and I remember that time we were all watching a scary movie and you were standing behind dad's lazyboy scratching his head, and something scary happened in the movie and you said, "Creepy pee-pee" then got a shocked look on your face because you couldn't believe you said that. LOL! Ave and Mazzy thought that was hilarious and we couldn't quit laughing. We love and miss you so

for them. She still has some ongoing health issues from the surgeries and radiation treatments, but for Rachel, they are a small price for the beautiful family she now has. It may seem odd, but one of mine and Heather's favorite memories is sharing Rachel's hospital room with her after her first surgery when she was 14. It was like a week-long slumber party at Primary Children's Hospital. (Heather and I probably had more fun than Rachel, though.) :-| She was, and is, quite the trespasser. Love my kids so much.

Last night, with 30 seconds left in the game and the Saints looking to kick a field goal and win, our house phone starts ringing. I said Chuck, "Who the hell would be calling now?! I'm not getting it!" Then my cell phone starts ringing. I ignore it, getting irritated. Finally, the game is over and the Saints win in the last three seconds! I look at my phone to see who called and it's my daughter, Rachel. I call her back and the phone picks up and I hear her and Peter laughing their butts off. They knew I would be on pins and needles watching the game and not answering the phone. Little sh*t's. That's
