“ My son, David Lemonds, was best friends with Randie until he passed 8/13/2020. They were in contact by phone or text as David lived in NC. I have texted Randie back and forth since David's passing. However, I did not know about Randie's passing until today, 1/31/2022. I am deeply saddened and my prayers go out to his family. May God comfort you as He has comforted me. Brenda Collins in NC.

MY

Randy Howie, quite possibly the finest zero tolerance machinist that has ever lived. His precision with machine work has resulted in numerous World and National records in the Automotive and Motorcycle racing industries. Randy has been my best friend for almost 40 years. Ever since we ended up on different coasts we rarely spoke to each other. I am going to miss Randy terribly. Randy was a great friend, talented machinist and could ride a dirt bike to its maximum potential. Rest in Peace Randy.
