“ *Randi started @ 3M a month ahead of me. We worked in the same crew in tape. Two of her children were just days older than my two children. When Dan & I got married, she hosted a reception at her home for us. We shared many memories together. Always a good friend. Glad I was so fortunate to have known Randi.*

“ *She was a great lady and a wonderful friend to my sister Patty when she was in the last days of her life. She spent a lot of time with Patty when she was ill. She was someone Patty felt comfortable with to share her final days confiding in her. She will be missed.*

So sorry to hear of Randi's passing. We made many memories working at the Silver Bell Cafe, alongside her mother, LouAnn. Those were great days. Rest In Peace, Randi.

We grew up 1/2 block from each other .....a special childhood friend, classmate thru high school, and bridesmaid at my wedding. Loved working at the Silver Bell Cafe too. My deepest sympathy to Rollie, Linda, Larry, children/grandchildren. Prayers for comfort and peace. 🙏

Sending sympathy to the family of Randi. She was a very sweet lady whom I worked with at 3M in Brookings, SD for many years. She always was kind and pleasant. I worked for her parents at the Silver Bell Cafe and remember Randi and her family. Blessed be her memory.
