“ To the Pollard family: Sorry for your loss. I was lucky enough to partner with Ray on many work assignments and always enjoyed his leadership and humorous stories. I learned a lot from Ray, and he was always good at seeing positive side of a bad situation. He will be missed.

I asked many times for Ray to go back to Vietnam. Finally he relented and I know it helped both of us as we had the most memorable time including a conclusion of our trip in Hanoi Vietnam
