“ Ray was one year behind me at Franklin and CHS. He was a summer play-mate at the playground and softball fields at Franklin. Sorry for the day he pitched and I hit the ball back into his mouth. I don't think he held a grudge. He was a nice kid and I always think about him when I drive down the street past his family home on 21st street. May your memories keep him in your hearts. “ I can remember him as a basketball player in the eight grade, we called him piston arm because he took so many shots . Sorry for your loss Bill Watkins
