“ Rhoda had a brilliant mind, and had a broad knowledge base from reading so many great books.
I loved the family library, and it inspired me for life.
She had discerning taste.
Rhoda was an amazing chef. I remember her cooking in the kitchen.
Her cookbooks open & the tv going.
My favorite memories of her was her love of art. Form and color.
She loved to garden, & tending her rhododendrons.
She had a sharp wit, great smile, and unique laugh.
She dearly loved--and was well educated about--cats, and was a long time cat-mother. I remember Stripey & Neko, and think of them, too, and they are now all together at the Rainbow Bridge.
My heart goes out to all close to her.
