I was on the beach today, enjoying the waves, wishing I had another chance to boogie board with my boy. We loved playing in the ocean.

“ *My son was such a big hearted guy. He cared about everybody and just wanted everyone to be happy. I loved talking about books and his writing. I will miss his wit and intelligence and his big, strong hug. Will always miss you and so thankful I have the hope that I will see you again.*

“ *I have had the honor of having Richard as my stepson for the last seven years. I have seen this young man touch many people's life's with his true caring of the ones who the rest of the world may think a little different from the so called normal ones. When I grow up I want to be just like him. We love and miss you very much .*
