“ I loved my uncle Bobby from my young years as a child, uncle Bobby is someone I could never forget. My uncle Bobby was a lot of fun for me and I'm so thankful I got to spend time with him and enjoy the way he would make me laugh or hand me all of his change even when mom said "No" he still made sure it was mine. I know my uncle led a hard life but I'm thankful he was my uncle and that I got to have him in my life. My uncle taught me how to play Rummy and he tried to teach me how to fish. When I was a teenager he took me fishing and he had me jump in the Alsea River on a visit to Oregon I could not believe it but I did it, we walked up the river and eventually stopped where I caught some fish. I'm sad that my uncle Bobby is no longer here with us but I will always have fond memories of my dear uncle Bob.
