“ I knew Ron Hildreth when he lived in Caldwell, Idaho. We were active in the same church, and had a number of mutual friends. Ron was a great fellow, and I appreciate the opportunity I had to know him "back in the day". My greetings to his family. Ralph Lawrence

“ I bowled with Ron for many years.. I even gave him an OSU Beavers t-shirt that he wore bowling on Fridays.. He was always someone we could count on to be there every week. I'm sure he will be missed by many.

“ Ron was ever-present at our coffee clutch at the Regent when I worked there. Always greeting each person with a hardy laugh and wry sense of humor. A true servant, willing to help those who were in need of a hand or just a friendly laugh.

Valerie, he thought the works of you! His "job" was getting there early to make the coffee and he took it seriously. Thank you for treating him like family ❤️

“ Ron sat with my mom in the dining room at Corvallis Manor. He was an old fart. Loved his sense of humor. I would bring him treats. He loved hot dogs. He would give my niece sugar. He would say here's some sugar for you to make you sweet. Know that he was like our family while he was there.

Yes, grandpa loved his food. He would sit and do puzzles with the ladies. His smile was so contagious. Thank you for sharing.

“ *Many memories of Ronald visiting our family in Parkrose with Macel, Dick, and Bob. We lost Macel many years ago and now Ronald. He was the last living relative of my Father, Don Bolton's generation.*
