“ To The Family of Rosalie Carl. Rosalie was a valued member of the Military Officers Club of Corvallis for many years. All of us were saddened by her passing. Each of our members sends you our deepest condolences for your loss. As is our tradition, the Club will make a donation to the Military Science Scholarship Endowment Fund in memory of Rosalie. This endowed fund provides on-going financial support to the young men and women in the ROTC programs at Oregon State University and Western Oregon University who will lead our armed forces in the future. Again our deepest heart felt condolences at your loss.

Sincerely, Michael T. Rainbolt, Trustee

“ Having Rosie across the street from me when I moved into Stoneybrook housing has been one of my luckier moments . Her fun and sunny personality kept every day bright. When I saw Rosie a couple of days before she passed on, I told her I had renamed our intersection, Rosie's Corner. I'll never forget the smile I got with that one! The last hug I got said she more than approved!
Rosie and Celia were so close...bonded with many things, for many reasons...but,
probably the one that will live the longest (in history!), is the ART they created together.
Rosie's home became a beautiful gallery inside. Yes, the gal had talent!
The past few months has given me much admiration for the patient, loving kindness that Rosie's daughter, Celia has shown. She has been there always doing what was best for Rosie, looking out for her health AND happiness. Also, the help during these difficult times that Celia had from brother, Doug, and from her husband.
I feel that wherever the 'essence' of Rosie has gone, it simply has to be a more joyful place.....because, some people just simply add to their surroundings, wherever they are.
And, I feel Rosie may have finally found Murphy, again.

In memory.....Rosie's buddy....Freddie
