“*Mrs. Bodine was my 6th grade teacher as well in the mid 70's. Great teacher and yes, "keep your columns straight." Kind woman.*

“*To Mrs. Bodine's Family, I am sorry for your loss. Mrs. Bodine, was my 6th grade teacher at Philomath elementary in about 1968 she would sing and dance" when adding or subtracting keep your columns straight". Which has been a great help through the years. She also took the class to task for mistreating one classmate in particular. She was a great teacher, a caring person, who was passionate about teaching.*

*With Sympathy,
Patricia M.Ellis, Hastings*
