“ *Oh my "best friend" Sarla. I will always cherish the times when I would call into LPS and you would answer, "Hello Best Friend Sheri, sweet sweet Sheri". I will cherish your friendship always. Rest in Peach my friend.*

“ I don't know if there are enough happy adjectives to describe Sarla. People became the best version of themselves because of her influence. She was:

--joyful  
--encouraging  
--wonderful  
--good  
--sweet  
--positive  
--loving

*I will miss her always, she has a special place in my heart.*
