Seth Andrew Raleigh

January 17, 1983 – January 2, 2020

Seth Andrew Raleigh, 36, completed his journey peacefully at home surrounded by family on January 2, 2020. Seth

was born in Seaside, Oregon on January 17, 1983. In 1989 he moved with his family to Corvallis. He attended

Corvallis High School, and graduated from Oregon State University in 2006.

In 2005 Seth found his soulmate, Stephanie Kirkeby and they were married in Corvallis in 2008. Seth worked at

Block 15 for four years, and was a Commercial Lender at Umpqua Bank since 2011.

His life was enriched with travel to New Zealand to visit a high school friend, backpacking trips with Stephanie and

friends, camping at Waldo Lake, golfing outings, and time in Maui with Project KORU.

Music was always important to

Seth and his eclectic tastes covered all options. He and Stephanie attended special musical events for their shared

birthdays. He was a voracious reader. Seth enjoyed a variety of sports: soccer, golf, basketball and sand volleyball.

He helped manage the Seaside Sand Volleyball Tournament for many years. He enjoyed participating in Leadership

Corvallis.

Friends were an indispensable part of Seth: he collected them throughout his life. Once you were a friend, you were a

friend for life. In the weeks preceding his death, when words were hard, he would reach out and touch the visitor's

face, re-establishing the connections that he treasured with each.

As outgoing as Seth appeared, he considered himself more of an introvert, and worked hard to be open, to share his

journey with cancer over the last few years, and to embrace the hand he was dealt. He reminded all to reach out and

hug people. He was known for goofy jokes, infectious positivity, his contagious smile, and hugs.

Seth is survived by his wife, Stephanie (Kirkeby) Raleigh, sons Sawyer and Finn, parents David and Claudia (Crim)

Raleigh, brothers Bobby Raleigh and Nathan (and Claire) Raleigh, and many relatives in the Crim, Raleigh, and Kirkeby families.

Heartfelt thanks and gratitude are given for the many kindnesses and help provided by so many to Seth and his

family through the past few years. His life touched many, and he was surrounded by caring friends from all parts of

his life. Seth and his family drew strength from the love, and support of the wonderful community that helped with

Rally for Raleigh, fundraisers, lunch buddies who took Seth out, friends who spent time driving him around, meals,

work parties on the house and yard, friendship and myriad other gifts of time and support.

Seth, you are forever in our hearts.

Please join us in celebrating Seth's life, February 1st at the CH2M Hill Alumni Center at Oregon State University, 725

SW 26th Street, Corvallis, OR, 97331. Doors open at 1:30 p.m. With a memorial service from 2-3 p.m. A Celebration

Party will follow from 3-6p.m.. Seth would have wanted to include families so children's activities will be provided.

will come dressed colorfully and comfortably (board shorts optional!).

Please feel free to bring memories, letters, and pictures to share with his family.

“ We feel blessed to have gotten to know Seth and his family. He always was so cheerful, with a smile and a laugh. He loved his family and friends. He was also a competitor and he never gave up. We saw him soon after his diagnosis of stage 4 cancer and he still had a smile for us and told us he was okay--at least now he knew what was coming. We will miss seeing him around. Hugs to all his family, especially Steph, Sawyer and Finn.

“ We knew Seth as he interacted with us at Block 15,, he took a sincere interest in our life, in a few of the details of our life. He was easy to trust and we do not regret any trust we placed in him. His interest was sincere and we could have easily been much closer friends to him, which would have been to our benefit. But, we were just customers, and yet,, this is how he made us feel. We regret that our community has lost this gentleman, we do need people who inspire trusting relationships, actually, relationships period. Seth accomplished a great deal in terms of his connection to those who were fortunate enough to know him at any level, the level did not matter, the relationship did. Godspeed to Seth and his family. We are sincerely improved by having known him at all...

Sincerely,
