“ So sorry to hear, only a few minutes ago via Facebook Wedlund family page, that Sonja had passed. Only knew Sonja as a cousin of my mom, Adela Wedlund Walters. Spoke with Sonja on the phone after my mom passed and about a year ago when asking questions about family members. My condolences to all of her family!

“ Your heart and home was open to anyone who was in need, regardless of what it was you would give all you had. You are the type of woman, mother, friend and person I will work to become. - always your Charlie.
