“ I was fortunate to have been a seminarian when Stanley was my scripture professor. He was the best teacher that I had in my six years prior to ordination. I learned much from him. He was exceptional.

“ Stan was a loyal and steadfast Knight of Columbus, ardent defender of our (Catholic) faith, and worthy son of the Church. He served as State Deputy and District Master of the 4th Degree in NH as well as financial secretary of his council for several years. He was instrumental in the formation of countless brother knights in New Hampshire. Ever the teacher, he was always ready to enlighten us about the tenets of our faith. Having traveled with him for several years across the state of New Hampshire, I benefitted tremendously by his mentoring and friendship. He was a true gentleman and dedicated family man. Many thanks to Therese and family for supporting brother Stanley in his service with the Knights of Columbus. He certainly inspired countless knights (including myself) become better Catholic family men in service to our Church, our families, and communities. Rich McDermott, PSD, FDM.

“ My Sincere condolences to the family. Stan was a special man. He was a mentor to me when I first joined the knights. As such he was instrumental in forming me as a knight. He was missed when he moved from New Hampshire, and this loss is deeply felt. Tim Kingsley NH Knights of Columbus
