“ Cheryl my thoughts are with you and the family, Steve was a special and good friend. I always enjoyed our talks about about Jazz and Miles Davis in particular.

We shared many laughs about our large our CD librarrys are and our issues with finding storage space for them.

Please let me know if there's anything I can do.

“ My thoughts are with the Maze family. Steve was a special friend. Very few people I now know that I can have free ranging discussions on music, literature and movies. Our time together always reminded me of college days...smoking cigarettes and drinking coffee late in the night talking important stuff. I'll miss that with him.

“ Working with Steve was such a pleasure. His ironic sense of humor and his passion for guitars were lights in the dark. My condolences to Cheryl.
