

Steve Glade

October 31, 1946 - October 7, 2024

Steve Glade passed away at home on October 7th surrounded by loved ones. He was born on Halloween 1946 and was a proud fourth generation Oregonian who loved genealogy and family history. As a young man, he led his high school marching band and was on the wrestling and swim teams. He was married for 55 years, and they raised their two daughters in Alsea.

Steve was a Navy veteran who ran his own backhoe business in the Oregon forests. He was also a daffodil farmer who raised cows, planted trees, built multiple houses, and developed ponds. He loved rockhounding and was an avid animal lover who rescued donkeys, cats, and dogs.

Steve loved to talk story. He was a family man with a great sense of humor and was generous to everyone including strangers.

Steve is survived by his wife Mary and their two daughters, Syrena and Cristel.

There is no memorial service planned.

In lieu of flowers please donate to your local animal shelter in his memory.

“ I was just a child (grade-school) and remember spending a great deal of time with the family. Steve was always in a good sense of humor, but the thing I remember the most is talking to him and realizing that he was asleep with his eyes open. Which he said he learned in college. I'm 53 years old now and still remember the times, as if they were yesterday. My thoughts are with Mary, Syrena & Cristel. I have missed you all over the years. Just seeing this (obituary), this morning I couldn't help but to comment. Thank you for the pleasant memories, that truly mean so much. Sorry for your loss. Miles Bundy

Miles, I've just seen this. Thank you so much for the great memory of dad! We did have a lot of fun when we were kids. Your comment brings back more good memories of spending time with your family!

“ I have so many fond memories of my cousin Steve. He taught a timid gawky cousin teen girl how to surf (or tried to anyway). Always had a smile and twinkle in his eyes. Ruggedly handsome but infinite patience and kindness. I will miss him. Sending my love and prayers to Mary and their girls.

Thank you for the story, Arlene! He did have so much patience (with anything but machinery!), and he had kindness to spare. The twinkle in his eyes was always filled with humor and mischief. We appreciate your prayers. ❤️

“ I got to know Steve thru working with him when he had his backhoe business and was doing work for Starker Forest. I remember the time we were cleaning up a slide and Steve found a giant salamander, he stopped told me what it was and carefully dug and in doing so he saved several more. Sad to hear of his passing, had not got to see him in a few years but every time I did we would talk and tell the stories of our work life together. Jackie and I will keep Steve and his family in our prayers.

Thank you, Rick. This story illustrates my dad so perfectly, and I love that you shared it!
