“ I am so sad to have never made her acquaintance. I am looking to reach out to family. I believe I am possibly a not so distant relative recently identified and would love to chat with family. Please contact Michelle at chocolate-mom@hotmail.com. Thank you

“ I will miss you Mama Suzie. You welcomed me to the U.S. twenty years ago. I was so young and terribly homesick. You treated me with so much love and care, inviting me to trips and dinners. Always knew when my birthday was and organized birthday dinners with the girls. You are the epitome of what selfless love and service to humanity is. I will always love you Suzie. Thank you for all that you did for so many international students that you were host mom to.

“ My comforting thoughts are offered to Suzie's family. I worked with Suzie (& Jessie) at the Heartland Humane Society Thrift Shop, and though we rarely shared a shift, Suzie's contribution was always present. She donated her time and skill to create many beautiful and professional banners, signs, and name tags for the Shop over the years. She and Jessie were almost always 'on duty' greeting and serving customers on Wednesdays, even on difficult days. Suzie was a fun member of our Volunteer Family, she will be missed.
