In Loving Memory of Tammy Michele Baty

Tammy Michele Baty, born on July 7, 1960, to proud parents Rod and Cassie Baty, peacefully departed from this world on August 13, 2023, due to natural causes. Tammy, the second of five siblings, lived a life filled with love and dedication to her family.

Tammy called Lincoln City her home from the age of 3 until just a few years ago when she relocated to Benton County, the home of her favorite college team, the Beavers. Her move was driven by her unwavering commitment to be closer to her beloved daughters and grandchildren.

Tammy's journey through life was marked by her dedication to her work and her family. She began her career at the young age of 14, working at Lil' Sambos restaurant in Lincoln City she worked there for 21 years. Later, she transitioned to TAFT High School, where she earned the nickname "Smoke Hole Lady" while serving as campus security for the next 7 years. A new job opening then led her to TAFT Elementary School, where she spent her final seven years of employment as a dedicated reading teacher.

Tammy was a single mother who put her heart into raising her two daughters, Amanda Rose and Cheyanne Ciara, who were born six years apart. She was

a fun-loving mother who provided the best she could for her girls. Her love extended to her precious grandchildren, as both of her daughters blessed her with two grandchildren each.

The bond between Tammy and her daughters was unbreakable, forming a close-knit family unit that relied on each other through life's joys and even bigger challenges.

Tammy's memory will forever live on in the hearts of those who knew and loved her. As her daughters, Amanda and Cheyanne, navigate the difficult journey of mourning the loss of their beloved mother, they are filled with grief and sadness, taking each day one step at a time.

Tammy's legacy of love and devotion will be cherished and remembered always. In this time of grief, may we find solace in the knowledge that Tammy's spirit will forever reside in our hearts.

“ I always enjoyed being around Tammy. She had a bright light, and loved her family deeply. I know she always wanted the best for her girls. I remember her being a very outgoing, and athletic gal in school, although she was an upperclassman, she got along with everyone. She was someone you just enjoyed bumping into, because she was always genuinely happy to see you! She also had a great laugh. I am sending lots of prayers to the family. ~ Julie Sexton

“ My heart is heavy for her daughters and grandchildren may God wrap his arms around them all and guide them through this unimaginable time of grief <3 Tammy was a second Mom to me growing up. She nicknamed me Biff because I was clumsy from a young age I guess haha. My mom and Tammy were really close friends in their younger days and that resulted in a close friendship between us kids. So many stories I could share over the years. She opened up her home (and fridge) and accepted me as one of her own letting me tag along. At times I was even a bratty little kid because I felt at home at her house. One of my life mottos came from her mouth. It was along the lines of anything is possible, if you want it and you don't get it you must have not wanted it bad enough. We all have demons we battle on earth and now she's free from them and all the pain!! I can picture her up in heaven reuniting with her sister. Meeting up with "Uncle Scotty" cracking jokes, smiling, laughing and probably pouring a drink. I'm sure Bruce found his way to come say Hi and to annoy her too. Shoot I'm sure my Dad and her crossed paths and once again he probably gave her shit for cutting his ear when she was cutting his hair. Rest in peace Tammy, see you when I earn my wings until then we have gained another guardian.
