

Theodore John Baldwin

March 13, 1954 - March 11, 2020

Theodore "Ted" John Baldwin, age 65, passed away with family at his side on March 11, 2020 in Corvallis, OR. Ted was born March 13, 1954 in Newport, OR to Lawrence and Ada Baldwin. He spent the majority of his school years in Kansas City, KS and his high school years at Eddyville School. He graduated in 1973. Ted married Diana Kapfer in 1981 and they had two children, Sara Ruth and Zackary John. Ted and Diana later divorced.

Ted began his working career in the woods, was a Custodian at Toledo High School, drove long-haul tractor trailer for Gordon Trucking, and retired from driving chip truck for Segerson Trucking in 2017.

Ted had a heart as big as he was, but sadly was plagued with heart disease, which ultimately took his life. Ted was a simple man, loved his family and was happy living a quiet life in Elk City, spending time with family and close friends. He was known for his quick smile and big hugs. Ted and son Zackary remained extremely close, and he loved the visits with Zack, Madilyn and Conner. He was very proud of Zackary, the man and father he's grown to be, raising his children on his own. Sara and her family live in Louisiana, so visits with his daughter and grandchildren were rare, but treasured.

Ted was preceded in death by his parents Ada and Lawrence and brother Andy. He is survived by his children Sara & Zackary, brother Mike (Juanita)

Baldwin, sister-in-law Julie Baldwin, and five grandchildren. Nephews Chris, Bruce, Eric, Curtis and Bret Baldwin, as well as many friends.

In light of the current health crisis and wanting to keep everyone safe and healthy, the Celebration of Ted's Life will be held at a later date. You may visit www.demossturdan.com to leave messages for the family.

“ I have known “ Teddy “most of my life but did not stay in touch with him a lot after I moved from Toledo. Our parents were close friends as young parents and then Lawrence and Ada moved to Kansas. Our families stayed in touch and reconnected when Mike, Teddy and Andy moved back to Toledo. The Baldwin boys are and were all everyone of them outstanding people but Teddy seemed to be more sensitive than most people. He would do anything for anyone. My aunts and cousins and grandparents knew him and all remember his genuine kindness. He lived well and was lived in return. I'm happy and lucky to say I loved you too Teddy

Teddy's parents and mine were very close friends when they lived in Toledo, so I've known him and his brothers for years. Ted was a soft teddy bear they don't make men like him anymore. He will be missed!

No matter what was happening in my life he always could make my life better! May you eat and peace Ted and have fun drinking with my mom again. “ I first met Ted in High school cause he was our school janitor. Was way cool then and stayed that way. Every time I seen him he would always ask me about my family and when we was done chatting he never forgot to tell me to 'stay outa trouble'. He knew me well. Lol. Sorry to the family for the lose of a great man. My condolences.
