“ *Uncle Vernon was everyone's favorite uncle and I am going to miss him. He was a man who never said anything bad about people, even me.*

“ *It is my great pleasure to have been neighbors with Vern for 23 years. We became friends immediatly when I moved here and started cleaning up the neighborhood. He was always quick to help or lend tools. I will greatly miss hearing Vern's voice and especially his laughter. I will miss him so much that this neighborhood will never quite feel the same. My one solace is the idea that somewhere, Vern and his beloved wife Kay are happily together forever.*

“ *I enjoyed the time I got with Vern. He was a wonderful neighbor and friend. He will be missed by many. He always had a smile, a hello (even if a wave from the distance), the stories about the kids and grandkids (he was very proud of his family). I always enjoyed how he had a good chuckle when we would surprise him with cake on birthdays, or pie just because we had some.*

“ Vern will be missed in the neighborhood by many. He was the happiest and most friendly person you could ever know. I'll miss his chuckles and laughter and just visiting with him. He loved talking about his children and grandchildren. He was so proud of them all.
