“ Dear Tom, Dick and Ron,
Your mom was one of my very best friends. She added so much adventure and fun to my life. She loved her home by the river and we loved going there to play cards, watch movies, practice clogging, going down to the cave and the river and going to square dances and round dance lessons together.
Did you know about the time she had an accident and was in the hospital. I think she had surgery and when she came to her doctor asked her how she was? She told him "I'd rather be clogging!" She heard him in the hall tell the nurse "I think she is hallucinating." So we put a sign above her bed to show him she wasn't.
She loved the Lord and I take comfort in knowing that she is now in Heaven with Jesus and Joe and her dear friend, Flora.

My prayers are with you all,
Patsy Claussen
I'm in the phone book if you'd like to call.
