“ We all enjoyed Walter Paul sharing his many text messages with all of us. He even shared one of his books with me, "My Sufficient Savior" written by the "Old Country Preacher" William A Byus. I remember Brother Byas being a guest of Grandmother and Grandfather's in the living room at 707 Forest Circle. When I received the book Walter Paul, told me of the great impact that "Old Country Preacher" had on his life. Walter Paul also expressed a huge desire for the family to gather again for another family reunion. I am sure there is a reunion going on in heaven right now. And another gathering of the clan sometime in the future. See you then cousin.

“ Walter Paul was my first cousin. He was a creative kind man and he will be missed by all of us. I wish we had lived closer together.
