

Warren Max Nunn Jr

July 8, 1951 - January 12, 2020

Warren Max Nunn Jr died Sunday, January 12, 2020, at the age of 68 at his home in Philomath, Oregon. Warren was born in Corvallis, Oregon, on July 8, 1951, to Warren Max Nunn Sr and Juanita June (Mahin) Nunn. After graduating from Corvallis High School in 1969, he married Lori Lee Lewis on September 17, 1971, in Corvallis, then served in the Army from 1971-1974 in Germany during the Vietnam War.

He had two sons and two daughters and taught them all to be tough, including how to use tools and ride motorcycles.

After starting his family, he joined The Church of Jesus Christ of Latter-day Saints, which was a large part of his adult life. He also loved movies, especially westerns and war flicks, and almost always wore cowboy attire (even at church). He worked in a plywood mill for many years, then became an electrician for the remainder of his career. He was generous, innovative, and humorous (he had the best one-liners). He unselfishly served others; he was truly a jack of all trades.

Survivors include his wife Lori; sister Mary (Steve Beugli) Nunn (Eloy, AZ); children Ricky Nunn (Philomath, OR), Carrie (Darin) Roberts (Meridian, ID), Lance (Jaylyn) Nunn (Oregon City, OR), and Randa Nunn (Salt Lake City, UT), as well as 12 grandchildren.

“ Warren was always a good friend to me and my family. He helped me to wire my addition back in 2003. He also helped me to wire the Sparks’ bathroom in 2018. He also helped me with many electrical anomalies in our cars and home. He will be missed. Condolences to the Nunn family.

“ It's hard to believe Warren is gone. He was a good friend to us for so many years. We'll always remember the many evenings of card games, the camping trips, the Christmas Eve parties, and the talks in church that we always enjoyed. Warren didn't always like food other people baked, so we made "Warren's Goodie List", which we still have, so he would have something he liked when we would get together. Warren was always willing to help, not just us but where ever there was a need. Most recently, he helped wire our new garage, but probably the biggest help to our family was his friendship, which helped Dick return to activity in church. It would be hard to measure the impact that has had on our family over the years. We send our love and prayers to all the family and hope you can find peace as time goes on.

“ Besides knowing him through church, he was our electrician for the older Canyon house. And saved our bacon many a time through the years by finding the short or problem. So sorry for your loss. He was a wonderful person.

“ *Lori, Ricky, Carrie, Lance, Randa and family.
Thinking of you during this difficult time with the loss of your husband, father, grandfather and brother. When we moved to the Corvallis area in 1976 it didn't take long to get to know your family being young married couples with small children. I have so many fond memories through the years of good times together, dinner, movie nights, clay pigeon shooting, as well as all the times Warren stepped up to unselfishly help us out with car repairs. I seriously don't know what we would have done during those lean years without his help. I will always remember a talk Warren gave many years ago about his love of country and being patriotic. His sincere, honest, down to earth comments deeply touched me. I admire and love your family, and hope for peace and comfort now and in the days ahead.*

“ *I am going to miss this wonderful man. He was always quick to respond to any project that I needed help with. I love his humor and his playful personality. He was always generous with his time, his ideas and talents, his skills, and all he owned. We was certainly like a brother to me and many others. I can honestly say that I love him.

“ I was so saddened to see that Warren had passed away. Warren was One of my best friends in high school. We graduated in 1969. I loved to drive around with him in his 1965 GTO convertible. He was a good friend and he will be missed. My prayers go out to the family. May God give you peace and strength during this time of loss.

My condolences to Warren's family and friends. Although I didn't know him well, it's always sad to hear about the passing of one of our beloved CHS classmates.

I learned of Warren's passing on class of '69 Corvallis High School website. I'm hoping the family receives my sympathy. I didn't know Warren much but did know his wife Lori Lewis and his sister-in-law Linda who was also in our class. All of you are in my prayers. Mary Dalrymple Kohls
