“ Hi - I'm a distant Gates relative of W, Simon (BILL) Gates via Levi (buried in Asheville, Ohio. One of his sons was Simon Sumner Gates the father of William Day Gates, my grand father. An older brother of SS moved out to Iowa ; I suspect BILL was descended from him, Sumner Erastus Gates

“ Bill Gates married my Mom in 2001. They moved out to Philomath a few months after our oldest was born in 2008. Bill was always a loving, patient and caring man. He always offered calming and steady support. I believe Bobbie and Bill complimented each other well and because of that provided a rich and fulfilling life for each other. Bill always treated our family with love and kindness. He was a wonderful Grandpa to our children. We are tremendously grateful for the time spent with Bill and the support he and Bobbie provided to us as a young family. They watched our kids one day a week, babysitting for date nights and made us dinner every Sunday night. Bill's positive influence will remain with us forever. He will be greatly missed. We love you Papa Bill.

“ I enjoyed making music with Bill and his late wife Bobbie with the Corvallis New Horizons Band and the Willamette Valley New Horizons Orchestra. Bobbie and bill actually started the orchestra. They were good friends. I will miss him! Rev. Paul Doellinger
